#### Please complete all information below. Failure to do so may delay sample processing.

Patient Information								
Last Name:	First Nar		st Name:		MI:	DOB (mm/	(dd/yyyy):	
Insurance and Precertification								
Precertification for all non-government insurance plans is required for genetic testing and will be managed by Genomics and Pathology Services. Patients are responsible for non-covered services, deductibles, co-insurance, contract exclusions, non-authorized services, and remaining balances after insurance reimbursement. Genomics and Pathology Services (GPS) can only accept authorized and contracted private insurance, Medicare, or Missouri Medic-aid programs. Other out-of-state Medicaid programs cannot be billed. Please contact Jean Loehr, Patient Accounts Manager at (314) 362-5641, e-mail: Loehr@wustl.edu, for complete insurance filing information and the managed care/private insurance contract list.								
Attach copy of insurance card (if not available, complete the following)								
Policy holder's Name:					Insurance Co. Name:			
	Last		First	MI	Insurance Co. Phone:			
Policy holder's DOB:					Plan Name:			
Relationship to Patient:					ID #:		Group #:	
Self-Pay and Patient Financial Assistance								
Patients who are self-pay should contact our office to arrange for payment. Financial assistance may be available. For more information, contact Jean Loehr, Patient Accounts Manager at 314-362-5641, e-mail: Loehr@wustl.edu.								
Authorization to Assign Benefits and Accept Financial Responsibility for Account								
I authorize the disclosure of insurance benefit coverage and payment information to Washington University School of Medicine. I authorize Washington University School of Medicine to furnish any medical information requested on myself, or my covered dependents. I assign and authorize insurance payments to Washington University School of Medicine. I understand I am responsible for any co-pay, deductibles, or non-authorized services and remaining balances after insurance reimbursement. I understand I am fully responsible for payment of my account if Washington University School of Medicine is not a participant with my health plan, and/or my health plan does not fully reimburse medical services due to lack of authorization or medical necessity.

### Instructions for Completing the Fillable PDF

- Use 'Tab' to move between the fields.
- Complete ALL fields to avoid any delay in processing the requisition.
- Enter phone and fax numbers beginning with area code. Do not enter any characters such as or /. Upon entering the 10-digit number the form will
  automatically format. (i.e. 3147477337 will format to (314) 747-7337).
- Enter dates as mm/dd/yyyy. (i.e. 01/05/2001).
- Ordering physician NPI is required.
- · Reason for Testing/Diagnosis and ICD9 codes are required in order for us to obtain pre-authorization.

### Instructions for Sending the Completed Requisition

- Completed requisitions can be faxed to (314) 747-7336 or mailed with the specimen.
- Alternatively, completed requisitions can be emailed to gps@wustl.edu. For HIPAA compliance, the form either has to be 1) saved as a JPEG or 2) encrypted with a password.

To save form as a JPEG on a PC:	To save form as a JPEG on a Mac:				
<ul> <li>Have the completed form open with Adobe Reader.</li> <li>Select File &gt; Save As &gt; Save as type &gt; JPEG. This way the form cannot be edited.</li> <li>Attach the completed requisition to email and send to gps@wustl.edu.</li> </ul>	<ul> <li>Have the completed form open with Preview.</li> <li>Select File &gt; Export. Select JPEG and save. This way the form cannot be edited.</li> <li>Attach the completed requisition to email and send to gps@wustl.edu.</li> </ul>				
To encrypt form on a PC:	To encrypt form on a Mac:				
Have the completed form open with Adobe Reader.	Have the completed form open with Preview.				
Select Secure > Encrypt with Password.	Select File > Export. Check Encrypt, enter and verify password.				
Compatibility should be Acrobat 7.0 and later	Save and close.				
Select 'Require a password to open the document'.	• Attach the completed requisition to email and send to gps@wustl.edu.				
Enter password and Confirm password.	Send additional email with the password.				
Save and close.					
Attach the completed requisition to email and send to gps@wustl.edu.					
Send additional email with the password.					

### **Protected Health Information Transmittal Verification**

- To comply with HIPAA regulations, we need to verify that any transmission of PHI data (i.e. clinical report) is being sent securely.
- The undersigned Client authorizes the Washington University School of Medicine to send Protected Healthcare Information (PHI) as identified in the Health Insurance Portability and Accountability Act (HIPAA) to the facsimile phone number listed on the requisition.
- Client acknowledges they are solely responsible for adopting and implementing appropriate policies and procedures, including physical safeguards, so that the location and use of the facsimile machine complies with all applicable HIPAA regulations.
- In the event of an erroneous transmission, Client is obligated to immediately notify the sender and to destroy the results.
- Client may revoke this authorization or change the facsimile number by giving the Washington University School of Medicine Department of Pathology and Immunology either through written or verbal notice with at least 24 hours prior notice.
